#### Return to school

Blundell reopened to students and staff this week. It was such a welcome treat to walk around the school to see and hear voices in the classroom and to smiles on the faces of so many! Thank you to everyone—staff, students and families for making it such a wonderful time!

#### Library news

Have books to return to Blundell Library—we know you do! There are over 1100 books still signed out—what does that mean? That our students have been busy reading the books signed out before spring break and also continuing to devour more words via Epic—digital books.

Starting on Monday, June 8<sup>th</sup>—a wooden box-labeled-will be placed outside the doors by the computer lab. Please bring your library books back and put them in the box.

The box will be outside in the mornings between 8:30am-9:00am and again at the end of the day from 2:30-3:00pm. Please see picture.

## Picking up student belongings

Next week families will receive an email that will describe how you can come and pick up your child's school stuff. Your child's items will be packed up in a plastic bag and labelled. We will share the times available to come and pick up your stuff.

## Grade 7 Farewell

More detailed information to come early next week about how our community will bid farewell to our grade 7s. If you know of any families that have not been receiving our emails or are in grade 7—be sure that they know this information is coming!

## Band instrument

If your child has a band instrument borrowed from the school district—it will say "DRC" on the case—we ask that you please return the instrument to the school by Friday, June 15. Please bring the instrument to the office at the main entrance. The district will be collecting the instruments to repair and clean them so that they are ready for September. If you rented an instrument from a store you will need to return the instrument to the store.

## Notice of Late Return

If your child will be returning to Blundell after 12:00pm—NOON on Wednesday, September 9, 2020, please fill out the [Notice of Later Return form](#)—both in English and Chinese.

You may return it digitally to: [blundell@sd38.bc.ca](mailto:blundell@sd38.bc.ca)
