

Hello families,

Thank you very much for your patience as we worked with all of our staff on the dates/times and the safest way to collect students' belongings from the school.

Students' belongings are being packed up this week in a clear, large plastic garbage bag. The bag will be labeled with your child's name and division number.

**Pick up of students' belongings will be on the following days:**

**Monday, June 15**—daily 1:00pm-3:00pm

**Tuesday, June 16**—daily 1:00pm-3:00pm

**Thursday, June 17**—daily 1:00pm-3:00pm

**Monday, June 22**—daily 1:00pm-3:00pm

**Tuesday, June 23**—daily 1:00pm-3:00pm

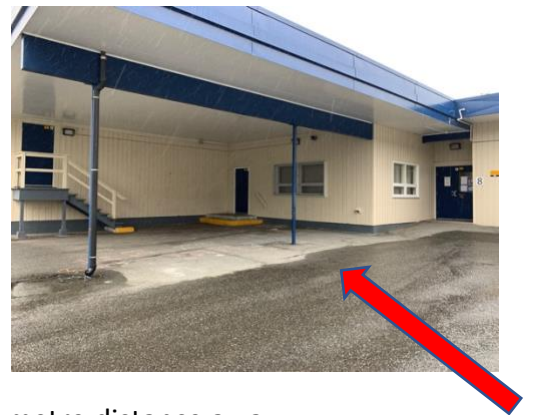

**Thursday, June 25**—8:30am-3:00pm

**Where:** In the undercover area near the back of the school—between the gym and the parking lot (please see the picture)

**How:** The bagged belongings will be placed on tables with a division number on each table.

A family member can come and pick up their child's belongings. A staff member will be on hand to help with physical distancing and directing.

Please continue to follow all of the physical distancing rules we do daily—if someone is at the table please wait the appropriate 2 metre distance away.

**Reminder: Library Books can be returned daily**

A wooden box is waiting outside the exit door in the undercover area—daily from 8:30am-9:00am and from 2:30-3:00pm. Place your books in the box and they will be returned to the library. See the picture to the left. You can also bring your library books next week when you come to get your belongings.

Lost and found—check this table to see if any of your child's items are on it.

**If you are unable to make on any of the days listed above—please call the school office at 604-668-6562.**

**All items not picked up will be donated the first week of July.**
