Arts Umbrella/BMO Van Go Workshops

Blundell has an amazing opportunity taking place in our gym this week. Arts Umbrella will be providing an art workshop for all students in Divisions 1 through 7. Each class will have a 1.5 hour workshop focusing on visual arts. Sessions will take place in the gym, physical distancing will be in place, instructors will be wearing masks and all supplies will be cleaned in between classes. We look forward to sharing our budding artists work in the coming week!

Winter is on its way...

This past weekend has shown us that winter is on its way. The temperature dropped dramatically this weekend and also offered some of the most beautiful views of our snow capped mountains. Just a reminder to dress for the weather—students go outside twice a day, rain or shine, cold, wind or absolutely gorgeous weather. They play outside for 2-30 minute breaks during the day. Remember eating time now takes place with the teacher and all outside time is play time.

THANK YOU

To all of our families in the parking lot—thank you for slowing down and being extra careful during the drop off and pick up times. Thank you for parking in the parking stalls and using the drop off zones for drop off only. Thank you for helping to keep our students and families safe. We greatly appreciate it!

Blundell Halloween Activity

Students and staff are encouraged to dress up for a spirit day this Friday, October 30, 2020 at Blundell. All students will take part in a parade of costumes and trick or treating at Blundell. Students will parade around the outside of the school and share their costumes with our community—as they pass each classroom’s external door they will receive a treat. Staff will hand out treats with tongs and students will have their own little bag that they can decorate and label with their name. Students can bring the treats home.
