Tuesday, January 5—

Wednesday, January 6—

Thursday, January 7—

Friday, January 8—

PAC Thank you lunch for staff

Next week our Blundell PAC—yes, that is you! Will be providing an amazing luncheon from Freshii to say Thank you to our staff. It has been a rather interesting fall with many new ways of doing and ensuring the safety of all in our building. So from our hearts to our PAC's hearts—The Blundell staff say THANK YOU for thinking of us!

Report cards

Today (or the end of January for some) students will be bringing home their report card. Please keep in mind that this term has not been like any other our students or staff have experienced. Our day-to-day activities have been shifted to accommodate new routines and to ensure the safety all who come into our building. Our daily schedule has been disrupted with handwashing, handwashing, physical distancing, cohorts and less interaction across our community. Read the comments with your child, ask them to share their excitements about their learnings and a challenge they may have found. Have them share what they are most proud of this term and one item or area they like to focus their time and effort.

See below for Division 1 Bulletin Board!
