Weather reminder

As we return to school in January please be sure that your child has a warm coat good for the cold and one that will keep them dry. Rubber boots are always fun for puddles on those very rainy days. Students will head out for both recesses on rainy days—30 minutes outside gives our brains a break so that we are ready for the rest of the day's activities. Our goal is to be outside every day for every break!

Winter Break

Winter Break is upon on us. Wishing all of our families a gratitude-filled, relaxing and fun break wherever you will and how you choose to take part with family and friends. See you Jan. 4th!

Thank You

This word seems too little to say to all of our staff at Blundell Elementary that have worked tirelessly to support our students in person and through transitional learning. It is no minor feat to shift the entire process with new health and safety protocols, shifts in our schedule and just the physical set up our school and classrooms. It has been a very year with lots of ups and downs a constant request for people to be flexible and patient. Blundell staff have done this with the utmost grace and compassion, huge hearts, kindness and smiles. So, Thank you to each and every staff member in our building everyday and those who just pop in to ensure our building is safe and sound. You are noticed and you are greatly appreciated!

Families

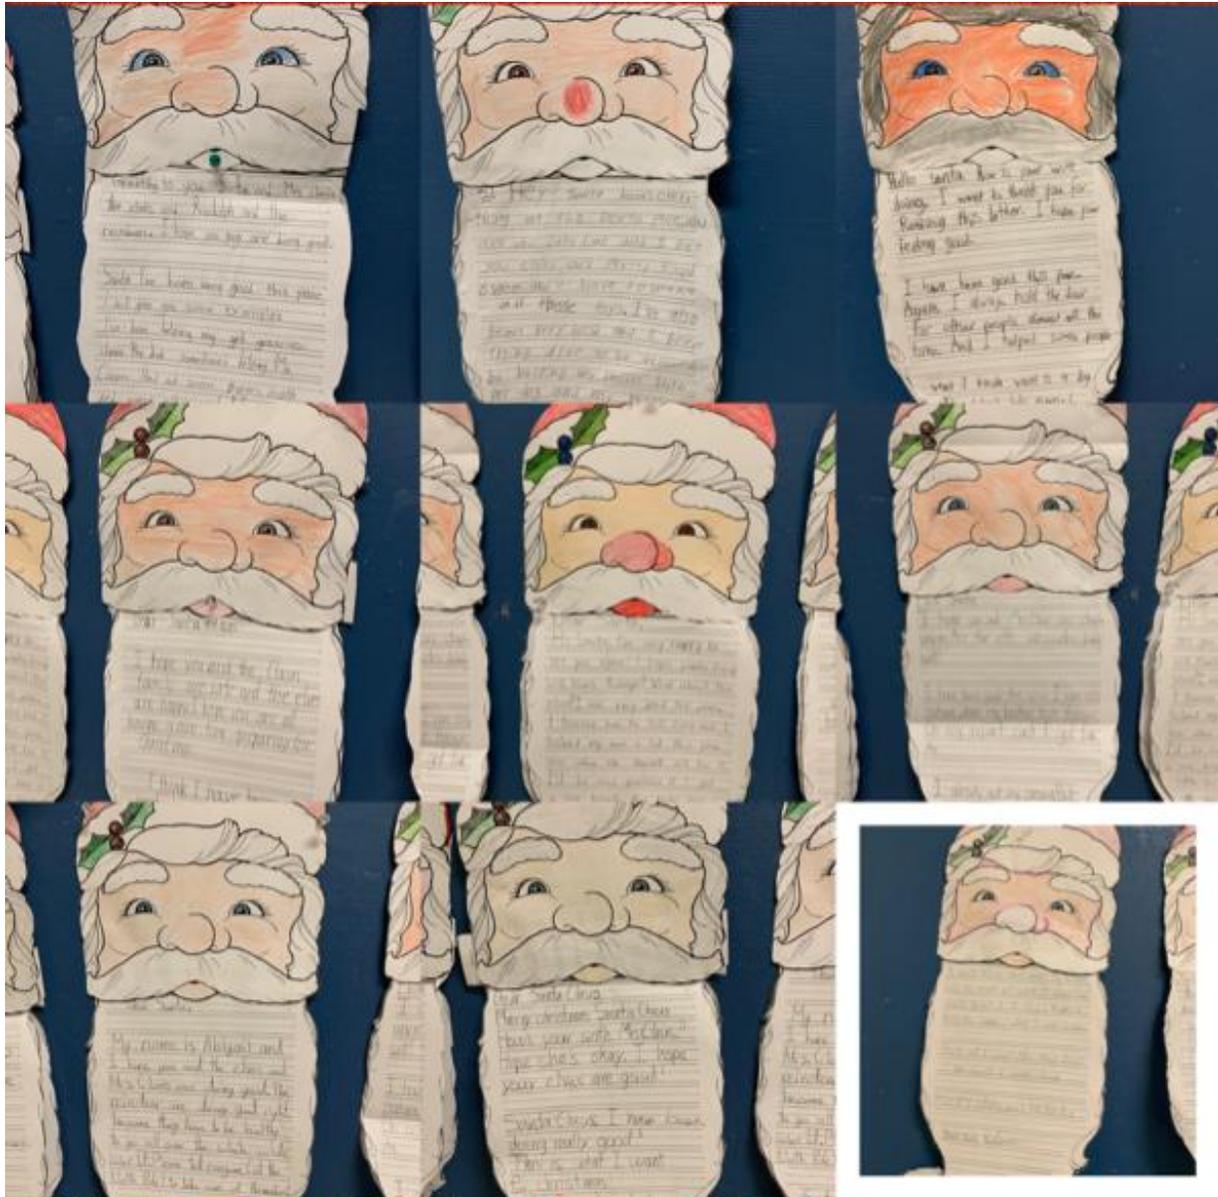

Of course we would not be complete without the support of our families and our students who have also shifted and adapted to many new daily routines. Families thank you for your unwavering support for our staff and for our students. Blundell has been able to have some sense of our new normal and we look forward to continuing this journey into 2021. THANK YOU!

PAC

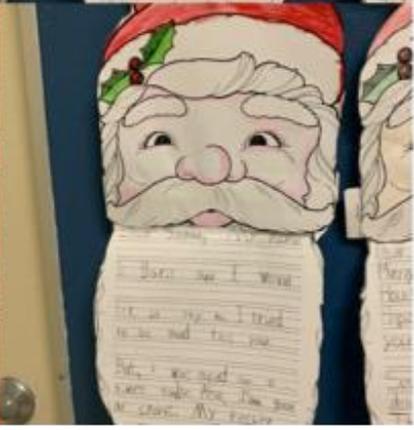

Thank you to our PAC who have been working and meeting behind the scenes and on screens to start to plan some options for the new year. Blundell staff would like to say THANK YOU for organizing and providing the very delicious lunch on Thursday. What a treat to receive lunch on this busy and tiring week.
