Hot lunch is coming! Hot lunch is coming!

This Friday, March 5th our PAC has organized a hot lunch—pizza for our students. We are so excited! Thank you very much to our PAC that organized this all for our students—connecting with the pizza company, creating the forms and putting them in Ziploc bags, coordinating all of the orders together and being there on the day of to ensure the pizza is delivered to the classrooms. Every item is individually packaged and will be delivered with minimal contact, hand washing and sanitizing of surfaces will also be enhance!

Practicing our Health and Safety drills

Recently our students have taken part in an earthquake drill, a Hold and Secure drill—possible threat in the neighbourhood and a fire drill coming up. Our students and staff have done a wonderful job at each of the drills. When we head outside to our safe meeting area, the students do so silently. Our Blundell community should be very proud of how safe they are being.

New staff member at Blundell

We would like to welcome Ms. Subashini Athmanathan who will be joining Blundell as an Educational Assistant (EA) through mid-April. We are excited to have you join us.
