#### Report Cards

Today your child will be receiving their report card, their second one this year. We encourage you to read the comments first with your child and celebrate all of the positive characteristics that your child demonstrates. Read the comments in each curricular area and keep the focus on what your child is doing well! Here are some sentence starters to talk about report card:

- What do you like best about being at school?
- Tell me one great thing about your classroom.
- What are you most proud of this term at school?
- If you could be principal for a day what would you do?

### Spring Break

We wish a healthy and safe break for all of our families. Keep following all of our province's health regulations over the break to keep your family and all of your schoolmates safe. We look forward to some sunny and warm days with opportunities to get outside and be with nature and play! We look forward to seeing you back at Blundell on Monday, March 29<sup>th</sup>!

### If your child will be late or absent.....

The school number to call any time of the day or night and leave a message is 604-668-6519.

A reminder please that if your child will be absent from school or is arriving late that morning to please call the school to let us know. It ensures that we can account for where each student is and that we know everyone is safe. Please, when you leave a message, say the following information slowly and clearly, it never hurts to repeat it.

- Your child's full name—first name and last name
- Your child's division number
- Your child's teacher's name
- The reason for the absence—keep it short—for example: sick, dentist appointment, medical appointment
- The length of the absence—how long will your child be away?

### MyED Parent Portal

We are going digital for all of our communication! Soon you will be able to access your child's report card online in MyED. Blundell will be going "live" with the MyED Parent Portal where you will be able to digitally access your child's information. A more detailed letter explaining how to do this will be sent after spring break. Stay tuned!

### Transitional learning has been extended....

The school district has decided to continue the transitional learning program through the end of June 2021. Our hope is that most students will return to in person learning at some point this year. At this point, students have been out of school for one full year. While the district has worked hard to provide a virtual program, nothing can replace the person-to-person experience of learning. We encourage you to think about having your child return to school in person. If you would like further information or if you have questions you are encouraged to speak with Ms. Rooney, please give her a call at the school at 604-668-6562 or send her an email. She would be happy to chat with you!

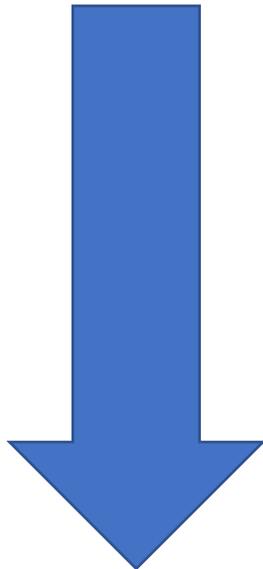

**Parent and student survey information**

After spring break the district will be opening a survey to students and then to parents. The goal is to gather information about our unusual school year experience with Covid-19. The district's surveys for elementary students will be done between Mar 30 - Apr 20 and elementary families between Apr 6 - Apr 15. More details to follow in our newsletters after spring break.

... than a million things

... Peter the penguin likes and picks

**HYPERBOLE AND ALLITERATION**

**Hyperbole** (exaggeration)

I'm told you to clean your room  
It was so cold I saw polar bears  
wearing hats and jackets  
She is already older than I am  
I'm so hungry I can eat you  
I've got a million things to do today  
I really couldn't wait a minute

**Alliteration** (repetition of the same sound)

• Can - Can -  
• I saw a sea that could eat  
any animal ever eaten  
• Fly - Fly  
• Kinky - Kinky  
• Chocolate Chewy Cheese

**Hyperboles Alliteration**

I'm so hungry I could eat a whale.

I'm so tired I could sleep forever.

My dad is a giant.

You must love me forever.

**Hyperbole and Alliteration**

**Hyperbole**
