Lockdown drill

On Friday, April 16 our school completed a Lockdown drill. This is a drill we practice in case of an intruder within the school. We completed the drill with our District Administrator who oversees Health and Safety for the district. We got a 2 thumbs up, it was excellent. So, thank you to our staff and students who took the drill very seriously and showed how to meet the expectations tremendously well.

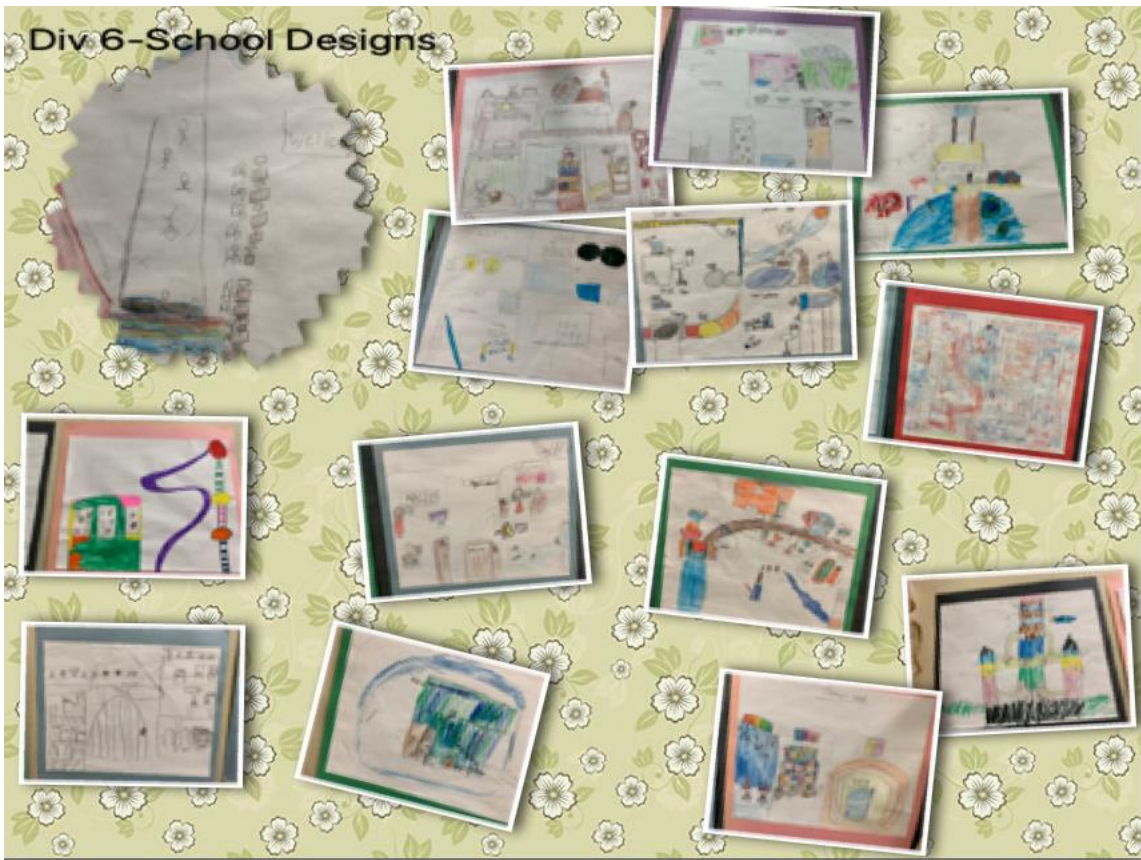

Class photos

To take place on Monday morning at Blundell. Fingers crossed it does not rain and it can be done outside, in a cloudy, but dry environment. We do have a covered area if needed. Photos will be taken of classes only and no special photos for the school, except where cohort and health and safety regulations permit.
