Monday, May 10—National Clean Up Your Room Day

Tuesday, May 11—

Wednesday, May 12—

Thursday, May 13—Fruit and veggie day.

Friday, May 14 –National Dance Like a Chicken Day

#### **PAC Pizza Lunch Day**

PAC is hosting its second hot lunch day. The menu is the exact same as the first. Orders are due on Monday—please remember to send your form back with the exact amount of money and have your child give it to their teacher. We look forward to having our second hot lunch day and we appreciate all the time and effort our PAC has put in behind the scenes to have this happen.

### **Parking Lot Safety Reminders**

1. Please DO NOT PARK in the spots labelled DROP-OFF. These areas are designed for a DROP-OFF only—a quick stop for students to get out of the car and head to their class. When you park in those spots and get out of your car to walk your child to their class. Please park in a designated spot.
2. Parking in these DROP OFF areas can cause a back-up in the parking lot.
3. If you are walking your child to their classroom entrance, please ensure that you are with them as they walk through the parking lot.

Thank you very much for ensuring the safety of our students!

### **Class Photos**

This past Monday our classes had their photos taken. They will look a bit different this year as we all adapted to keep our students and the photographer safe. The rain held off and allowed to have the pictures taken on the playground. We look forward to seeing them!

**Check below for student  
work!**
