### **Parking lot notes....this week’s reminder**

Drop off your child ONLY next to the yellow curbs closest to the fence. Students moving through the parking lot can be very dangerous. Thank you.

### **Professional Day—Friday, February 18th**

Today was our turn to be students (we do still learn everyday) at our district convention. Every 2 years, The Richmond School District hosts a convention. This provides all our staff-- teachers, educational assistants, administrative assistants, custodians, senior staff, principals and vice principals, maintenance yard—our entire district to take part in learning together. Our two keynote speakers this year were [Tanya Talaga](#) and [Ivan Coyote](#). They shared incredibly powerful messages about inclusivity and acceptance.

Staff then had an option to join breakout sessions offered across a variety of topics.
