Immunization clinic over spring break

Richmond Public Health will be holding School Aged Immunization clinics during Spring Break (March 14 – 25) at 8100 Granville Ave. If your child is in need of immunizations, please call 604-233-3176 to book an appointment.

Spring break

Our spring break this year runs from Monday, March 14th through Friday, March 25th. Students return to school on Monday, March 28th. Hopefully spring is right around the corner and the sun will be shining for most of the break! We do need a little rain to ensure the plants grow.

Family travel over spring break

If you will be travelling over spring break—here is [a link](#) to the government information.
