STAFFING

UPDATE

It is the time of year for us to say good-bye to some and hello to others.
Please see below for the staff changes at Blundell for September 2022.

Moving on.....we say Goodbye to...

Ms. Jean Posenjak who has been an integral part of our resource and ELL team for several years at Blundell. Her expertise, strong ability to support staff, students and families and her love for our littlest bobcats will be sorely missed. She is heading to Ferris Elementary to bring her experience to share with their community. Thank you for all your hard work, organization and care for our Blundell community. You will be very much missed.

Mr. Phil Mason--Mr. Mason joined us in January in the role of LRT/ELL and has made such a good impression. We have appreciated his ability to fill many roles. He is off to General Currie to teach grade 3/4 in the fall.

Ms. Kayleigh Cantwell--She joined us in January in a Helping Teacher role. She has provided support for our oldest bobcats and supported students individually as needed. She will be off to McKinney in the fall to teach grade 3/4.

Ms. Jacqueline Neuman is leaving us again! Ms. Neuman stepped back into Blundell in the fall to cover a leave and she stayed the whole year. It has been wonderful having her back with the bobcats. Thank you for your support of our bobcats.

Joining us for the fall...

Ms. Jaspreet Rekhi-She joined us as a teacher candidate, this year in December as a resource teacher supporting individual students and mainly our students in Div. 1 and 2. We have appreciated her organizational skills and detailed focus. She will be joining us full time as an LRT/ELL.

Mr. Andrew Forrest-Mr. Forrest will be joining us as an LRT/ELL teacher. He joins us from Anderson Elementary and brings with him a wealth of experience and we are happy to have him join us a bobcat.

PRIDE!

Pride Season is a term that refers to the wide range of Pride events that take place over the summer (June to September) when LGBTQ2 communities and allies come together to spotlight the resilience, celebrate the talent, and recognize the contributions of LGBTQ2 communities. Although special attention is put on the Pride events during the summer months, they happen throughout the year in many communities.
