Grade 6

1. How have your communication skills improved during this school year? Give an example of a time you used your communication skills at school.  
when we do band class I work with my class mates to play the songs in band

2. How have your critical thinking skills improved during this school year? Give an example of a time you used your critical thinking skills to solve a problem or complete a difficult task.  
learning how to play a instrument was really hard at first I thought it was going to be easy but after the first day I wanted to give up but after a while I got better from barely being able to play Mery had a little lamb to playing oh Canada (sorta)

3. How have your personal and social skills improved during this school year? Give an example of a time you used your social skills to connect with or solve a problem with a classmate.  
when I came here someone I new was mean but now they are nice and they compliment me.
