What's a "PAC"? All parents have the right, through their Parent Advisory Council (PAC), to provide feedback in their school. PAC is the officially recognized collective voice of parents of their school. A PAC, through its elected officers, may advise the school board, the principal and staff of the school respecting any matter relating to the education of the students and the school.

Leaving us...

Ms. Gina Winkelmans, our custodian will be leaving us for another position in the district. She has been a part of the Blundell community for many years--almost a decade. We will miss her smiling face, her helpfulness in keeping us all healthy and safe. We will miss her kindness most of all. Thank you Ms. Winkelmans for all that you have done for us at Blundell!

STUDENT AND FAMILY AFFORDABILITY FUND

Recently, the provincial government announced a new, one time Student and Family Affordability Fund. This fund is designed to assist families who require financial assistance with school-related costs such as school and course fees, workbooks, specialty supplies, field trips and other school-related charges and costs. The additional funding will also be used to support school meal programs and other nutritional supports for students.

At this time, we are requesting that families reach out to Ms. Rooney if you are in need of assistance with school supplies, fees or other school-related costs. As always, all requests will be treated with dignity and your privacy will be respected. We want to work with our families to ensure that our students, your children, have everything they need in order to be successful at school. Please do not hesitate to reach out if we can help.
