We have moved into the " wet and muddy " season, and because students spend recess and lunch outside, rain or shine; we appreciate that students are dressed appropriately for the weather. For our younger bobcats, please send a spare change of clothes.

IMPORTANT!

Daily Health Check

SHOULD I GO TO SCHOOL TODAY?

Just a reminder to please complete a daily health check before sending your kids to school. With cold and flu season upon us, as well as Covid infections still in our community, it is especially important.

The district website will contain the most up-to-date BC health guideline information. As a general rule; if your child is showing any signs of illness (coughing, headache, fever, runny nose, nausea etc.) please keep them home until they feel better.
