## Student Learning Survey 2022/2023

The Provincial Student Learning Survey is unique in its scope, size and usefulness to schools. It gathers information from parents/guardians/caregivers, teachers, and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.

Early in 2023 the Student Learning Survey will be administered to students in grades \_\_ and \_\_, their parents/guardians/caregivers, and all school staff. We encourage parents/guardians/caregivers to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The surveys contain standard questions for the Province - in addition, questions from the school and/or district that focus on local conditions or issues may be included.

The survey can be completed electronically and can be accessed on the Internet at [http://www.bced.gov.bc.ca/sat\\_survey](http://www.bced.gov.bc.ca/sat_survey). Any computer with an Internet connection can be used, and access to the e-survey is simple and secure. The survey can be accessed through the link with or without an anonymous logon code by selecting the school district and school name where your child attends school. Provincial, District and School Reports for previous years can be viewed at the same site under the Results section.

The e-survey site will be open until April 29th. [Access the survey here.](#)

If you have any questions, please contact Ms. Rooney at the school at 604-668-6562.

Blundell Bobcats will be taking part in the district track meet on Thursday, May 18th at Minoru track. The meet runs from about 9am to 2pm. We will start Track Attack next week where students in grades 3 through 7 are introduced to all of the possible events at the track meet. High jump, long jump, shotput, discus, relay events, 200m and softball throw are the events offered.

NOT all events are open for each grade. Shotput and discus are for grade 6/7 only, relays, sprints and softball throw for all grades and high jump for grades 4 and older. We aim to have as many students participate in the track as would like to be a part of it. More details and fun conversations will be happening over the next few weeks! This is an exciting opportunity for our students as it has been 4 years since the last track meet for Blundell!

# SD38 RICHMOND CONTINUING EDUCATION

## Summer 2023 Catalogue

Please check in with our Continuing Education Department for SD38 to learn about all the opportunities available for students for Summer 2023.

The cover features the Richmond School District No. 38 logo and the text 'CONTINUING EDUCATION Summer 2023'. It includes several images: a girl pointing at a chalkboard with the equation  $2a + b = 8b$ , hands with colorful fingers, a girl writing, a girl drawing, and a boy smiling. The text 'LEARN WITH US!' is written vertically on the right. At the bottom right, it says 'HIGH QUALITY CHOICES AFFORDABLE & ACCESSIBLE PROGRAMS'. The website 'RichmondCE.ca' and phone number '604-668-6123' are at the bottom left.

## Talk Sex Today.

Body Science Boot Camp for Parents

Parenthood never arrives with a rulebook, and when it comes to explaining the world of sexual health to your child, it can be hard not to end up a bright shade of red. Using humor and straight talk in an open, interactive environment, Saleema Noon Sexual Health Educators will show you how easy it is to convey healthy, positive messages about sexual health to kids.

In this workshop parents will learn:

- Why we need to talk to children about sexual health at a young age
- How to reduce risk of child sexual abuse
- What children should know at each stage of development, with specific examples of how to explain concepts and processes
- How to become their kids' preferred source of sexual health information
- How to normalize open, honest sexual health conversations in their family
- How to effectively answer even the toughest questions kids ask
- What will be covered in Body Science workshops for students
- This workshop will be delivered via live Zoom!

*Join us!*

When: **Thursday, May 10, 2023**

# EID MUBARAK

Eid Mubarak!

As the month of Ramadhan comes to an end, we would like to extend a *Happy Eid Mubarak* to all our Muslim students and families. May your celebrations during this special time bring peace, happiness, and prosperity and of course lots of special foods to everyone! Happy Eid from our school family to yours!

# TRACK ATTACK

Students took part in their first ever Track Attack today. The weather cooperated with us--okay, it was a bit chilly and wet still! Students will move through 9 stations: long distance running, shotput, discus, sprints, softball throw, long jump, high jump, relays and a pit stop at the new playground. See below for some of today's action.
