FROM THE PAC

Parents: Today there were a number of students who were looking for their hot lunches, but we did not have any orders for them. Please double-check your emails and look for your confirmation from MunchaLunch. If you order, you will receive a reminder every Thursday from them as well.

Also: please make sure that your child's name in MunchaLunch matches the preferred name that they use for school. There are some students who are not sure when their names are being called to collect their lunches. You can update and change the names on your own account.

If you have any questions, please don't hesitate to ask the PAC by emailing them blundell.elementary.pac@gmail.com (and remember that these are volunteer parents so give them some time to get back to you).

Orders are open again for the entire November session, deadline: Monday, October 30 evening.

THANK YOU!

HUB CYCLING SURVEY

Thank you to the City of Richmond for funding the Ride the Road cycling safety program for grade 5,6, and 7 students at our school in September. HUB Cycling is collecting feedback about the program for the City of Richmond so they can see the impact of their funding (and hopefully continue or increase it in future!).

ENRICHING LIVES

Richmond School District 38 is excited to welcome Kindergarten registration applications for children born in 2019, turning 5 in 2024. These children will begin Kindergarten in September 2024. Online registration opens on November 1, 2023. Please visit our website www.sd38.bc.ca/kindergarten for more information about our online registration process, required documents, important dates, and FAQs.

We encourage families to complete their registration within the Priority 1 registration window, which spans from November to January, in order to maximize their chances of securing a spot at their catchment school. All registration applications received any time during the Priority 1 registration period will receive placement decisions by February 2, 2024.

Videos detailing Kindergarten registration have been made available on our District website, providing new parents with guidance on the registration process, English Language Learner (ELL) assessments, and District Program Options (Early French Immersion and Montessori). These videos are available in English and Mandarin. Please view the videos at www.sd38.bc.ca/kindergarten.

Finally, there will be a Kindergarten Information Evening for parents of students with disabilities and diverse abilities on Zoom held on November 8th from 6:30 – 7:30pm. A link to the Zoom is available on our District website www.sd38.bc.ca/kindergarten.

Thank you and please share this information with your friends and family who have Kindergarten aged children!

PARKING LOT SAFETY

Families--please be mindful of where you stop and where you park your car. Your need for convenience can cause a huge backup in the parking lot or cause major inconveniences for others. The rain does not hurt us and it is safe to park farther away and walk to the school. With the heavy rains this week, several cars parked or stopped made the parking lot very unsafe. Thank you for helping us to keep all bobcats safe!
