SCHOOL REMINDERS!

Parents: please remember to use only the designated drop off areas for drop off ONLY. Please DO NOT park your car in the drop off zones. With the wave of rain recently, our parking lot has become very busy and people are focused on their personal drop off and pickups at the expense and safety of others. Please be mindful of the students' safety in the parking lot

With the variety of weather we have been getting lately, please ensure that your child is dressed appropriately. It has been colder so hats and mitts are most welcome. Students can also bring an umbrella for the rainy days--they can take it outside at recess and lunch. Please reach out to us if your child needs raingear or cold weather clothes.

Get REDI

Reconciliation, Equity, Diversity and Inclusion with Richmond School District

A webinar series on Zoom for parents and caregivers to understand and support SD38 initiatives around inclusion and belonging.

This initial 60-minute session is designed to help you understand the district's commitment to reconciliation, equity, diversity and inclusion, and the values and language that inform our practices in schools. The facilitator, Destine Lord, will draw on the district's strategic plan to drive the conversation and make connections between the plan, the district's vision, and introductory concepts of anti-oppression. By building the language, you can help support your learner as they move between home and school and back again. There will be opportunities with future sessions to further explore REDI concepts.

Destine Lord (she/her) is a consultant and facilitator actively working towards the elimination of racism in Canada. For the last 15 years, she has worked in both the private and public sectors, facilitating workshops and training sessions related to anti-racism, change management, and reconciliation. As a Black Canadian, Destine can draw on her lived experiences to inform conversations about racism. She is excited to be supporting the Richmond School District and our work to build equity and inclusion and a sense of belonging for all students and staff.

Registration

These repeated webinar sessions are intended for Richmond School District parents and caregivers only.

As space is limited, please register in advance for one session using one of the QR codes below.
