LOST & Found

The lost and found table has moved to the very front of the school by the main entrance, just across from the office and by the chairs.

Lots of coats looking for their owner.

COMMUNITY FRIDGE

Thank you to Homma Elementary for the text below.

We are excited to let the community know that we have a snack fridge at Blundell. This fridge was funded through the Ministry of Education Feeding Futures Program. Students are able to access food in the fridge, when they need a nutritious snack to help them get through the day. We know that healthy minds and bodies begin with fresh quality food. The fridge will be stocked with food delivered by the Richmond Food Bank and Fire Fighters. We are grateful for their support!

In the coming weeks, staff will be working with students to understand the purpose for the fridge, as well as the difference between a want and a need. It may be helpful to have a conversation with your child about when to take food and when to leave it. We know that, in the beginning, students will find the fridge a bit of a novelty and may use it more than needed. We are okay with this, but in the weeks ahead, our goal is to have students access the fridge when needed. We will not be saying “no” to students who need food, but we will be encouraging them to make responsible decisions. This will help ensure that there is enough food for students who require it. Thank you for your support with this!
