# LOST & Found

The lost and found table has moved to the very front of the school by the main entrance, just across from the office and by the chairs.

Lots of coats looking for their owner.

## BOBCAT BASKETBALL

Our bobcats basketball team--made up of girls and boys played in two tournaments this year.

Last week at Steveston London they played 3 games with a win, loss and a tie.

This week at Hugh Boyd they also played 3 games and ended with one win and two losses.

Thank you very much to coaches Mr. Dennis and Mr. Ozeer and to our resident referee, Mr. G. These individuals have provided loads of extracurricular activities for our grade 6/7 students this year across volleyball and basketball. Your time commitment and organization is so greatly appreciated!

**Ramadan is the ninth month on the Islamic calendar, which marks important holidays and events for Muslims. During Ramadan people fast, or refrain from eating and drinking, while it's light outside. Once the sun sets, families meet for big meals that may include stew, rice, dates, lentils, and more. People also have a morning meal before the sun rises.**
