VOLUNTEERS NEEDED

HI PARENTS! Here's an update. Our small but mighty PAC Executive has 6 members. But by June, there will only be 3 of us. Executive members are the ones who do a lot of the planning behind the scenes--organizing hot lunches, planning Skate Night, dealing with money--among many other other jobs.

If you are interested in learning more about how you can help, please come to a PAC meeting, or send us an email, or talk to any of the friendly executives. Any help is welcome and we would love to have you!

NEXT PAC MEETING

- Friday Feb 21, 2025 at 1:15pm in the library after hot lunch
- All parents are welcome to the meeting! Come to listen, chat, and learn more about your child's school.

blundell.elementary.pac@gmail.com

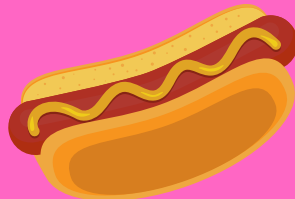

Thank You to our Blundell PAC!

A reminder from our PAC that, each Wednesday during pizza hot lunches, they will eventually not be providing paper plates any longer. We remind students to bring their own containers or plates from home. It might be helpful to pack these in your child's backpack on Tuesday night! If you would like to hear more about the PAC, or hear about how you can participate in these events, please come and join us at our next PAC meeting on Friday, February 21 at 1:15 pm in the library! All are welcome to attend!

Let's All Stay Healthy AT BLUNDELL

Daily Health Check

SHOULD I GO TO SCHOOL
TODAY?

We appreciate your support in keeping your child home when they are not feeling well.

Students should not come to school when they are sick.

If your child is not feeling well please continue to keep them home until their symptoms have resolved. If you know your child will be absent for a range of days, please leave that information as well.

Staying home when sick helps keep our entire school community healthy including teachers, admin staff and students. **Please do your part and stay home when sick.**

As we come back from the winter break, we remind families to please keep your child(ren) at home if they are exhibiting signs of illness (eg. coughing, runny noses, etc.) Signs of illness lead to other students getting sick, and our staff as well. Let's all do our part to keep Blundell as healthy as we can so that all of us can enjoy a happy and healthy start to the new year. Thank you.

Change of Clothing:

For our younger students, it would be helpful if parents had extra socks/pants/shirt in their backpacks if possible. When the weather is wet, students may slip and fall in a puddle, etc. In order to prevent us from having to call home, it would be helpful for our younger students to have a simple change of clothing in a Ziploc bag stores in their backpack.

DRESSING FOR THE WEATHER

West Coast Recess:

During recess and lunchtime breaks, students are expected to always be outside this year. Students are reminded to dress appropriately for the weather. You may also send a change of clothes to school just in case your child gets wet. Playing outside will ensure our students get some fresh air and exercise to enliven their day.

Please note that Blundell is a “gum and pop free” school as we encourage students to make healthy choices. We would appreciate your help with reinforcing this at home. Thank you!

Parking Lot Reminders

We continue to have some issues with cars parking in our drop off lane and also with double parking. Please be reminded of the parking guidelines listed below. Thanks in advance for being part of our solution!

We have a VERY busy parking lot - both in the morning and after school.

Tips to help keep students SAFE!

- 1) Please walk to school with your child if you live close by
- 2) The drop off lane is not for parking - please drop off your child and go, making room for others. We have several school buses arriving each day and this blocks their access to leave the parking lot.
- 3) If you are a kindergarten parent or need to drop your child off at their classroom door, please park in our visitor lot or near the school and walk
4. ALWAYS keep your vehicle speed at a very LOW speed in our entire parking loop.
5. DOUBLE PARKING IS DANGEROUS. Please do not stop beside a car that is already parked in the drop off lane or a car parked in the parking lot--this impacts other drivers being able to leave, including some staff who may have to leave right after dismissal.
