# Let's All Stay Healthy AT BLUNDELL

## Daily Health Check

SHOULD I GO TO SCHOOL  
TODAY?

We appreciate your support in keeping your child home when they are not feeling well.

**Students should not come to school when they are sick.**

If your child is not feeling well please continue to keep them home until their symptoms have resolved. If you know your child will be absent for a range of days, please leave that information as well.

Staying home when sick helps keep our entire school community healthy including teachers, admin staff and students. **Please do your part and stay home when sick.**

As we head towards summer break, we remind students to be “Sun Smart” which includes applying sunscreen, wearing a hat outside, bringing a water bottle each day, and dressing for the weather:
