July 2025

Dear Kindergarten Caregiver(s),

Blundell School welcomes you and your child. This letter will provide you with important information about your child's upcoming Kindergarten Gradual Entry Schedule and Welcoming Conversation.

Starting Kindergarten is an important time for your child, your family, and the school. For this reason, the Ministry of Education and Child Care and the Richmond School District have a gradual entry process to ensure that we get to know your child and create a sense of belonging as they transition to school. During the gradual entry process, we will have a Welcoming Conversation with each family.

Attached to this letter is your child's gradual entry schedule for the first two weeks of school. You and your child will be invited to attend a 15-minute Welcoming Conversation, during which you will be able to share information about your child with the kindergarten teacher. The information you share with the teacher will be helpful in supporting your child throughout the year. Please fill out the attached *Welcoming Conversation Child Interview Form* before your visit and bring it with you. If required, a hard copy will be available at your child's school in the first week of September. We have also included possible prompts for discussion during your Welcoming Conversation on the next page called *Welcome to Kindergarten Conversation Starters*.

Each child entering Kindergarten is a unique individual and gradual entry along with the Welcoming Conversations are essential for creating the foundation of support among the family, school, and child.

We look forward to welcoming you and your child into our school community.

Sincerely,

Benita Bahd
Principal

Karen Greig
Vice Principal
