Let's All Stay Healthy AT BLUNDELL

Daily Health Check

SHOULD I GO TO SCHOOL
TODAY?

We appreciate your support in keeping your child home when they are not feeling well.

Students should not come to school when they are sick.

If your child is not feeling well please continue to keep them home until their symptoms have resolved. If you know your child will be absent for a range of days, please leave that information as well.

Staying home when sick helps keep our entire school community healthy including teachers, admin staff and students. **Please do your part and stay home when sick.**

Be a Helmet Head!
Remember to protect

PARKING LOT REMINDERS

AT BLUNDELL

Our parking lot is a very busy place, and so we encourage families to walk their children to school if they are able. If you must drive we also encourage you to use the parking lot at the Baptist Church on the east side of the school. This is especially helpful for students who are dismissed from Divisions 5, 8, 7 and 1.

If you must park in the school parking lot, please be mindful of children who may be travelling through the parking lot with their children. We have taught our students NOT to go through the parking lot, but to go around the chain fence to travel safely to the other side. It would be greatly appreciated if parents would do the same when going to their vehicles after school. In future, we are hoping to have a designated crosswalk painted in the parking lot. As well, please see the photos below. This parking space is reserved 24 hours for custodial and maintenance staff. We also remind parents that there is a NO LEFT TURN sign from 8:30-9:00 am and 2:30-3:00 pm as this backs up traffic in our busy parking lot. Thank you for your consideration and efforts.

SCOOTERS AND WHEELS AT SCHOOL

While we appreciate that several students are choosing to get some exercise and, rather than having parents drive them to school, they are using bikes instead. However, we have noticed that several students are coming to school on their bikes without a helmet. Some report that they don't have one, and some report that they have one at home but choose not to wear it. This is extremely unsafe and also against the City of Richmond Bylaws. The City of Richmond requires all cyclists to wear an approved helmet under the provincial Motor Vehicle Act and the Bicycle Safety Helmet Standards Regulation. If your child has a helmet, we ask that you reinforce that they wear it if riding a bike, manual scooter, or skateboard to school.

Please note that e-scooters are not permitted on our school grounds---they should be treated as a vehicle and cannot be driven inside the fence of the school grounds. .

HEALTHY HABITS

Last year, we implemented some schoolwide expectations around several initiatives, including being more eco-friendly, as well as reinforcing more healthy habits amongst our Blundell Bobcats. We truly appreciate the support that families have helped to implement. This included a schoolwide “Nut Free” policy due to Health and Safety concerns around serious, life threatening allergies for our students and some staff as well.

We are also thankful for your support in making Blundell a pop free and gum free school. We also recognize that there are moments when it’s appropriate and healthy to make treats a part of our students’ lives, i.e. birthdays, after school fundraisers, other holiday celebrations, etc. However, day to day, we are very grateful that families are choosing to send water and other healthy food items to school on a regular basis. Way to go, Blundell! (If you have any questions around birthday celebrations, we encourage you to reach out to your child’s teacher).

Personal Digital Devices

Personal digital devices should not be used unless permission has been granted. Students are expected to adhere to the Acceptable Use Guidelines and District Code of Conduct.
