Wednesday, June 30<sup>th</sup>—Administrative Day—schools closed to students

#### **June is almost here....**

I find it incredibly hard to believe that we are almost done the most unusual school year that we will ever be a part of. As I write the dates for week after next—it is June! How did we get here so fast? The summer brings it with plans of lazy days and fingers crossed that many steps closer for us all to a post covid world—or our new normal as we hear it.

### **Welcome to Kindergarten**

This week we welcome our newest bobcats to our school in our second drive by Welcome to K! New students are encouraged to stop by and pick up their Welcome to K bag and to meet our Kindergarten teachers. If you have a child starting K or know of a family with a Kindergartener starting with us in September, please share this information.

**When:** Thursday, May 27 from 9am-10am

**How:** Drive to the school and stop by the main entrance to the school where the bike racks, by the flag pole (see picture below)

**What:** Say hello to our K teachers Ms. O'Connell and Ms. David, pick up your wonderful, full of surprises—Welcome to K bag.

Please see below for a variety of our students work!

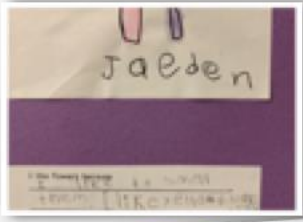

What does a salmon see?
